

Have You Been Violating the Law?

SLIPPERY, ICY PAVEMENTS NOT ONLY DANGEROUS—THEY ARE AGAINST THE LAW

In last week's issue of Our Town there appeared a communication in which the writer suggests that Borough Council take steps to fine persons leaving ice on their pavements.

Many of our residents are evidently not aware that such an ordinance was passed by Council in September, 1920, which Ordinance not only makes it unlawful for a man to endanger his neighbor's life, but imposes a fine for failure to observe its provisions.

We have had a very mild winter so far, but we are certain to have more days when snow and ice bury the pavements, and when the snow shovel will be necessary to supplement the snow plow.

For the benefit of many who are ignorant of the existence of this ordinance, Our Town is publishing the same herewith and recommends that it be framed and hung over the family snow-shovel.

AN ORDINANCE
Requiring the owner, occupant or tenant of property to remove snow or ice from sidewalks, and providing penalty for violation thereof.

The Council of the Borough of Narberth does ordain:

Section 1. That whenever snow or ice, or both, shall have accumulated on the sidewalk in front of any property in the Borough, it shall be the duty of the owner, occupant or tenant and such owner, occupant or tenant is hereby required to remove such snow or ice within twenty-four hours of the time when such accumulation shall have occurred.

Section 2. Failure to observe the provisions of this ordinance shall be punishable by a fine of Twenty-five Dollars, to be collected as provided by law.

Passed this 13th day of September, A. D., 1920.

W. R. D. HALL,
President of Council.

Attest:
CHAS. V. NOEL,
Secretary of Council.

Approved this 13th day of September, A. D., 1920.

CARROLL DOWNES,
Chief Burgess.

DEATH OF REV. J. R. T. GRAY

Rev. Joseph R. Taylor Gray, pastor of the Old Radnor M. E. Church, died suddenly on Thursday evening.

Rev. Gray was well-known to many Narberth people, having spoken on several occasions at the Narberth Methodist Church.

He was the father of Rev. Frank M. Gray, former pastor of the local Church, who is now pastor of St. Stephen's Church, Germantown.

AMERICAN LEGION NOTES

Every legionnaire should make it a point to go to Norristown on next Monday evening, January 30th, to hear National Commander MacNider and State Commander Thompson.

There will be enough machines to take all who can go. We will leave at 7.15 from the Fire House.

We want to surpass the mark of 102 members enrolled last year and in order to do so, it is up to every member to get right with the Post for this year.

Watch this paper for an announcement of the Legion and Auxiliary Get-Acquainted Meeting to be held on Friday evening February 17th, in Elm Hall. Bring all the family entitled to membership in the Auxiliary with you.

Now is the time to get on a level with your buddies by paying your 1922 dues—\$2.50.

Tennis Folks to Give St. Valentine Dance

AT ELM HALL, TUESDAY EVENING, FEBRUARY 14—LAST DANCE BIG SUCCESS

No, indeed, you're not a bit too old to go to a Valentine Party! And this year, just as it used to happen, St. Valentine's Day comes on February 14th. This year, however, the 14th falls on Tuesday.

Now then, if you are a member of the Narberth Tennis Association, or a friend of a member, take that 1922 diary out of your vest pocket, or pick it up from your dressing-table—as the case (or as the grammarians would say—the gender) may be, draw your trusty Waterman or Eversharp, and "take this dictation":

"IMPORTANT—Tuesday evening, February 14, at Elm Hall, Valentine Dance, Narberth Tennis Association."

In other words, the next dance of the Tennis Association will be on—using the calendar of H. G. Wells—the 268,953rd anniversary of that great international holiday—St. Valentine's Day, Tuesday, February 14, 1922, at Elm Hall. Professor Stock will be on hand with his jazz experts, and you can "bat my life," as they say on the outskirts of Gopher Prairie, it will be a fine party.

Speaking of "good times had by all," the last Tennis Dance, held last Friday night, was one of the most successful affairs ever held within the confines of our Borough. The music was excellent, the size of the crowd was just right and, as they say in the up-state journals, "everybody voted the party a big success."

We feel sure that everybody who was at last week's dance will plan to attend the St. Valentine's Party on February 14.

MISSIONARY SOCIETY TO MEET

A special invitation is extended to the women of Narberth to come and hear Mrs. Charles G. Trumbull, who will address the Woman's Missionary Society of the Presbyterian Church, on Wednesday, Feb. 1, at 2.00 P. M., in the Sunday School room.

Those who heard Mrs. Trumbull last month will be glad to know that she is to continue her delightful talk on Japan, Chosen and China.

WEDDING ANNIVERSARY.

The fifth wedding anniversary of Mr. and Mrs. Emil Cutler was celebrated at their home in Moorestown, N. J., on Tuesday evening. Mrs. Cutler was formerly Miss Esther Haws, of Narberth. Many friends from Narberth and Philadelphia were present. As the fifth anniversary is "wooden," there was a fine collection of wooden gifts. None enjoyed the evening more than Emil, Jr., and Bobby, the two bright and happy boys.

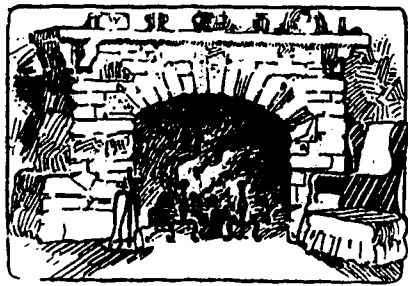

MARRIED.

Miss Eleanor Hart and Henry T. Nash, Jr., of Narberth, were married Tuesday evening at 7.30 o'clock, at the home of the bride, on North Nineteenth street, Philadelphia. The happy couple left soon after the ceremony for New York. A trip to the Bermuda Islands will be included in their wedding tour.

MOVING TO BROOKLYN.

Mr. Byron T. Hacker, who has lived on Meeting House Lane for the last two years, has just accepted a position in the Brooklyn Children's Aid Society, and left for his new work on January 22. Mrs. Hacker and family will go to Brooklyn in the near future.

Mr. Hacker has for several years been the Assistant Secretary of the Children's Aid Society of Pennsylvania.

THE FIRESIDE

Mr. and Mrs. W. D. Smedley have returned from Tampa, Fla.

Mr. T. Noel Butler is confined to his home by illness.

Mrs. Edward C. Griswold and daughter, Eunice, are enjoying the winter sports at Hartford, Conn.

Mr. John D. Dripps, of Armaugh, Indiana County, Pa., is visiting Mr. C. M. McCracken, 106 Merion avenue.

Mr. David B. Weaver, of Saxon, Pa., is spending a few weeks with his daughter, Mrs. C. L. Metzgar.

Mrs. C. C. Enteman, of Sabine avenue, is at present in Germany, having left Narberth January 3.

FOUND—Door key; picked up on Essex avenue, south side. Call at Post Office.

Mrs. Florence C. Town, of South Narberth avenue, is spending the winter in Miami, Florida.

While the South Siders regret the passing of the ancient bill board, they cannot help commending the Borough Tacks Collector for his zeal.

Mr. C. L. Metzgar has purchased a farm in Maryland and contemplates removing with his family to the farm in the spring.

Mrs. Lowrey, owner of the New Park Quality Shop, has been dangerously ill at her home, 5628 Walnut street, West Philadelphia.

Miss Marie L. Gorin, of The Clyde, Atlantic City, N. J., paid her first visit to our town on Saturday afternoon, when she attended the meeting of the Doctor Benjamin Rush Chapter, Daughters of the American Revolution.

The demand for the \$1000 Treasury Certificates for sale at the Post Office has been so heavy that the entire first order placed with the Bureau of Printing and Engraving has been exhausted. Additional Certificates being prepared will be ready for issue about Feb. 1.

The Reading Circle of the Women's Community Club met on Monday afternoon with Mrs. Leroy Douglass, of Elm Terrace. The reading of Lytton Strachey's "Queen Victoria" was continued, preceded by selected poems of Robert Frost. The meeting on Monday of next week will be held with Mrs. A. N. Edrop, of 5 Woodside avenue.

Special Election to Be Held Next Week

BOROUGH VOTERS TO CONFIRM LOAN ORDINANCE PASSED AT REGULAR ELECTION

A special election will be held in Narberth on Monday, February 6th, for the purpose of confirming the vote on the Outdoor Recreation Center Loan.

This question, which was presented to the voters at the regular election, was passed by the large majority of 735 to 250. An error in the printing of the ballots resulted in the election being declared void. The error was caused by last-minute confusion in the office of the County Commissioners at Norristown, and because of the fact that the mistake was made entirely outside the responsibility of our Borough Government, the County will bear the expense of the special election.

The Playground Association, which has spared no effort to present this matter to the people in all its phases, although disappointed by the delay engendered by the error, are hoping that the confirmatory election will enable the people to accomplish something rarely possible—a unanimous vote on a question already decided.

A review of the aspects of the loan, together with several statements from important sources, will be included in next week's number of Our Town.

This is the second Special Election to be held by the Borough, the first being by order of Court in 1895 to elect the officers of the newly-formed Borough.

Community Club Notes

ADDRESS ON "ANGLO-FRENCH RELATIONS" DREW LARGE AUDIENCE AT THE WOMAN'S CLUB TUESDAY

Mrs. George E. Bean, who addressed the Women's Community Club last Tuesday, is inclined to think the title of "Current Conferences" would have been more appropriate for her talks this year, had she been able to see the turn of the world's events early in the fall, when she named her talks "Current Events." These various conferences are necessary to world peace and each one is tending toward that peace, though its result may seem but a small part toward the solution of the great problem.

The subject for the afternoon was "Anglo-French Relations." Before entering into her subject, Mrs. Bean referred to the settlement of the century old Irish question. It seems, she said, that the Irish might now take care of their own questions. One big move toward that end being that Michael Collins and Sir James Craig have had an amicable talk.

In relation to home affairs, Mrs. Bean spoke of Senator Newbury, of Michigan, having regained his seat in the Senate, and of the wise choice of Governor Sprull in appointing George W. Pepper to fill the unexpired term of the late Senator Penrose.

As to the Anglo-French Relations, the viewpoint of France is from a political standpoint and England's is from an economic point of view. France has held firm to her necessity of protection at the sacrifice of damaging her prestige with the United States, while

Twenty-five dollars was pledged toward the finishing and furnishing of a room in the Administration Building, which is in course of construction in Washington immediately to the rear of Memorial Continental Hall, which room is to be known as the Pennsylvania Room. AT LAST

After some months of ceaseless searching, we have at last been successful in securing the services of a first-class columnist. Back in April of last year, one hopeful reader attempted the job, but found it too much for him, and at the end of a few weeks, quit.

Our new columnist comes to us well recommended, and we are sure that his weekly comments and observations will be an interesting and, mathap, instructive feature of Our Town.

May we emphasize what our colleague says, and ask our readers to keep in touch with the column by sending in letters and suggestions.

And finally, as we found it necessary to say last time, the column is not run by the Editor.

Good luck to you, Collum Righter.

Communications

ON BOROUGH LOANS

To the Editor of Our Town:

Will you kindly inform taxpayers why the Ordinance printed last week fails in Item 21 to mention the fact that there should be a decrease in the amount of the loan of \$30,000 in July 1, 1916, of at least \$5,000 in amount. According to Item 20 the Sinking Fund should be \$25,000.

FRANK CANFEL.

Explanation.

Our Town has looked the matter up, and finds that the amounts printed in the ordinances are correct. The loan of July 1st, 1916, was for \$30,000, and no matter how much is retired, it does not change the original loan.

The status of the loan is as follows: One Thousand Dollars is put into a Sinking Fund each year. Every five years an amount of Five Thousand Dollars is retired on the loan. In 1921 this amount was paid off, leaving \$25,000 outstanding. The interest on the bonds is 4 per cent, which makes the current interest charge \$1,000, as given in Item 21.

It is expected that this explanation will be incorporated in the publication of the budget in future years.—(Ed.)

CARDINALS

A few days ago, a lady on the North Side phoned the Editor, and in some excitement informed him that she had just seen a Cardinal or Redbird in her back yard.

Not many people realize that these beautiful scarlet birds stay with us the year round. Furthermore, the Cardinal, unlike other birds, mates for life, and you rarely see one of the pair, unless the other is nearby.

These birds can often be seen in the yards during the winter, and their clear sharp whistle a sharp clue to their whereabouts.

There is no more beautiful sight than a blazing red Cardinal against a back-

ground of white snow, and it pays to keep one's eyes open in winter as well as summer.

"SUSPICIOUS CHARACTER"

To the Editor of Our Town:

In order that the people of Narberth may know of a certain incident which recently transpired within their borders, and that they may be a little more considerate for the complacency and well-being of each other, the following is presented:

No doubt our people will recall that Wednesday evening the 18th was very dark, gloomy and foggy. During the middle of the evening a few peaceful citizens noticed a man, who to them was a stranger, quietly pacing to and fro, the pavement, in their immediate neighborhood for about forty-five minutes. This character, not having been recognized, and of a seemingly suspicious mien, police protection was summoned. A few minutes later the deputies of the law were on hand, only to find who appeared suspicious one of our own townsmen, who had been loitering outside in wait to accompany his wife home from one of the neighboring houses.

In these scandalous days it would seem the voice of wisdom implores all of us to be as considerate as possible toward our fellow-townsmen, lest we loiter, annoy and become suspicious.

H. K. Gottshall.

"Our Town" wishes to employ two persons to assist in a canvass of the town for the purpose of getting new subscriptions for the paper.

The work includes the visiting of a large list of recent residents and other non-subscribers. A liberal commission will be paid to the right party. Apply to the Editor.

ANOTHER METHODIST EVENT

The Official Board Gives Reception to the Choir

It was a delightfully informal affair, just the sort of good time every one enjoys to the utmost.

After a short, snappy rehearsal for Sunday's Music, a charming program was carried out. The Rev. Dr. Chalfant officiated. Everyone enjoyed Dr. Chalfant's humor, and incidentally, the compliments paid to the choir. The members of the choir could not but be pleased to hear Dr. Walls express his appreciation of their co-operation and inspiration.

The famous Male Quartette rendered amusing musical selections, and were repeatedly encored. A duet by Mr. and Mrs. E. Stanley was subjected to prolonged applause, much to their confusion; and Mrs. G. M. Davis entertained in her usual charming way.

A few well-chosen words by Mr. J. H. Heck, the president of the Choir, revived again the harmony with which the official board, the pastor and the volunteer choir can work. He then presented on behalf of the official board and the choir, to "Professor" Stanley—as the director is affectionately called by the members of the choir—and to "Mrs. Prof.", the talented organist, a small token of appreciation and gratitude.

The evening was complete when all were served with delicious refreshments prepared by the wives of the officials.

Notice of Special Election

To the Electors of the Borough of Narberth, County of Montgomery, State of Pennsylvania:

Notice is hereby given that in pursuance of an ordinance of Borough Council, approved the 24th day of December, 1921, entitled, "An Ordinance for the purpose of obtaining the assent of the qualified electors of the Borough of Narberth to increase the indebtedness of said Borough for the purpose of acquiring a tract of land to be used as a public playground," a special election will be held on Monday, the 6th day of February, A. D. 1922, between the hours of 7 A. M. and 7 P. M., at Elm Hall, the place for holding municipal elections in the said Borough of Narberth, for the purpose of obtaining the assent of the electors of said Borough to an increase of its indebtedness.

And notice is given further as follows:

able property in said Borough was three million three hundred sixty thousand dollars (\$3,360,000).

The total amount of existing indebtedness of said Borough is seventy-eight thousand dollars (\$78,000).

The amount of the proposed increase is thirty thousand dollars (\$30,000), and the percentage of said increase is .008928 per cent.

The purpose of the proposed increase of debt is as follows:

THE TOWER OF BABBLE

By Collum Righter

Yes—in response to an unprecedented volume of requests (three all told) Our Town shall have a Column. Whether we as Columnist, possess the necessary mental efficiency to run it unscathed through the paddles of Public Opinion once a week, remains to be seen—but here it is in its incipency, true to form.

Take those rocks outside fellah! Hats off, you down there on the third row! Ain't you got no respect for the ladies?

We almost received a bouquet of posies last week. But the wife of the near donor had a birth-day instead. Take warning, curly haired bearer of Peace Offerings. Our disposition is none too good at its best. Tamper with it not in this fashion. The turn will worm. We mean the turn will worm.

The Column gladly answers most inquiries regarding domestic difficulties, affairs of the heart, the care of pets, proper modes of dress, the restraint of flappers and corrective eating. All communications about such subjects should be addressed to the Column Editor, care of Our Town, Box 966, Narberth, Pa.

However, we shall not be held liable in the event of unlooked for results, should our advice be accepted. Far from it. We are the father of a family and while perfectly well qualified to settle the affairs of the Nation and lick our weight in wild cats, we shall brook no rough handling and permit no attempts on our life, should the pet cat die, or something.

All is ready, Mr. Haws. Start your bally free delivery. The receptacle is installed. But it is a terrible name to wish on a poor innocent mail box.

The kindly, mellow rays of an electric lamp shone down upon us as we sat in a comfortable chair by the front window, endeavoring to absorb wisdom from the columns of an evening paper. Without, in the darkness, all was snow and sleet—a blizzard raging. Suddenly from the drift covered street came shouts of Merry Christmas, Merry Christmas! Our mental processes automatically registered objection to the Yuletide Greeting during January, and we read on. The shouts persisted, however, so with visions of the Hospice of St. Bernard looming before us, we made for the front door, flung it open and braved the chill blast, only to observe a well beloved citizen footing a precarious way over our buried lawn.

Merry Christmas, again he gave and then insisted that he was none other than the Doctor. We wagged our head both knowingly and sympathetically, returning his greeting. He disappeared in the storm as we closed the door and went back to lamp and the paper. Was it an over worked brain gone amuck, we mused? Or was it that he had stopped somewhere on the way and encountered old friends. A mystery indeed, lurks in this incident. As yet, we have not solved it.

Una Bonthead—Mrs. Blub told me today that she sat up until 12 o'clock last night, sewing on the children's clothes.

Hesa Bonthead—Wha'sat you said? I. B.—I said that Mrs. Blub told me—

H. B.—Yes, yes, I heard you, but how in the name of stewed prunes does she ever bathe them?

Bitter end.

Community Club Notes

(Continued from Page 1)

she has watched England growing closer to this country.

The resignation of Briand as Premier of France may be a backward step for France, as Premier Poincare may be more drastic with Germany.

France and England are both striving for their lives. Each has her fears but as their viewpoints are so wide apart, a reconciliation is still a problem to be solved. The Conference planned to be held at Genoa, at which all the powers are invited to be represented, including Germany and Russia, is still a star of hope.

Books recommended and reviewed by Mrs. Bean are, "The Girls," by Edna Terbers; "Black Diamond," by Francis Bret Young; "The Young Enchanters," by Hugh Walpole, and Earnest Poole's "Beggar's Gold."

The music of the afternoon was by Miss Augusta Witherow. She sang in her own charming manner the "Bird Song," from Pagliacci, and as an encore, "Bon Jour Ma Belle."

Mrs. Eberhardt Mueller was hostess of the Afternoon. Mrs. E. A. Muschamp and Mrs. W. J. Mulholland poured tea; while Mrs. Harvey Miller, Mrs. Horace Moore, Mrs. John Miller, Mrs. Anita Michelson, Mrs. Joseph Miller, and Mrs. Wm. Mitchell, acted as aids.

A trade mark is worthless unless it is backed up by dependable merchandise and service on the part of the dealer. We sell KEEN KUTTER goods because we are able to stand back of them to the last ditch. Whenever you see the well-known trade mark, you are sure that you are getting the best there is. For those who prefer less expensive articles, we have OAK LEAF and BAY STATE products. These are reliable in every way, but are not of the same quality as KEEN KUTTER.

Church Notes

The annual business meeting of the Church which was held on Tuesday evening, terminated in a delightful house warming, in the formal opening of the new parish house, with all its pleasing appointments.

It is unnecessary to say that the enlargement of the church with the additional conveniences made possible by the erection of the new house, was absolutely essential, in order to accommodate the congregations which are steadily increasing with each service, but perhaps one of the greatest comforts derived by the rector and his associate, from the new arrangement, is the realization of a clergy room, in which they will be glad to welcome all wishing help from either of them, in the solution of any problem, whether it be joy or sorrow, doubt or fear. Both Mr. Bell and Mr. Hutt consider it not only a duty in their offices of rector and associate, but rather their greatest joy to be of real service to the individual members and friends of All Saints Church, and will be much gratified if they can be helpful in any way and at any time. They may be reached for appointment by phone, Ardmore 111.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Join the Partnership of 183,000 Owners in the Bell Telephone System

Become a Partner as well as a Subscriber

Not ten or a hundred or ten hundred people own the business, but a hundred and eighty-three thousand men and women, from all over the country, who have invested in one of the great American industries which bases its stability on that of the nation itself and the millions who, like you, use its service daily.

Shares of American Telephone & Telegraph Co. stock have recently been selling around \$118.

It may be bought by anyone through any bank or banker, or through any responsible broker on the Philadelphia, New York, Chicago, Boston or Washington Stock Exchange.

An attractive investment for conservative people

The Company has 40 years of dividend history of never less than 7½ per cent.

The earnings of the business are remarkably steady through periods of bad general business conditions as well as good.

Assets are far in excess of capital and debts.

There is character and enterprise in the management of the business.

There is public confidence in its fair dealing.

One share will, at the present dividend rate, pay you a return of \$9.00 a year. The dividends of a few shares will pay your telephone bill.

We shall be glad to furnish further information if you so desire.

Buy outright through your Bank or Broker, or on the Partial-payment Plan

Banks do not recommend any particular stock.

They desire, however, to encourage systematic saving and careful investing, and most of them afford the service and facilities of their loan departments to customers who desire to purchase reliable securities on the partial-payment plan.

The usual arrangement is to make an advance payment of approximately one-fifth of the purchase price, and pay off the balance gradually.

The dividends on the stock will more than pay the interest on the loan.

It is a fine way to save — to make a start as an investor, as a partner in a conservative, reliable, established business.

The following banks will assist their customers in making such investments:

Ardmore National Bank
Bryn Mawr National Bank
Bryn Mawr Title & Trust Co.
Darby National Bank
